

Feral Cats

have you in a
Frenzy?

Stop abandoning them

- Feral cat colonies are started by people moving and abandoning their cats mistakingly thinking 'they are wild, and will manage.'

Stop baiting them

- Contain your refuse
- Bag and tie your garbage
- Close the lid of your dumpster

Stop giving them refuge

- Keep your alleys clean and clear
- Keep your yards free of shelters

Metro Phoenix TNR* Hotline:
602-265-7729

*Trap/Neuter/Release - A national effort to maintain feral cat colonies by controlling their population while allowing them to remain in their territories. Removing the existing colony only opens the area for another colony to inhabit it.
